VISION AND MISSIONS OF CNDU

- ❖ To be the principal institute for RCAF in developing discipline, human-resource and providing effective resources to serve the nation.
- ❖ Strengthen cooperation with partnership countries through understanding, awareness, friendship and cooperation.
- ❖ Provide military knowledge and languages to the RCAF personnel and Khmer language to international military students.
- ❖ Enhance military capabilities for overseas training and international engagement.

ACHIEVEMENTS OF THE CNDU

- ❖ signed MOU with local universities and International universities to increase staff and students productivity and learning experiences
- ❖ Establishment of committees to ensure the quality of standard education and keep up with technological and social changes at CNDU.

The University of Cambodia

Korea National Defence University

ACHIEVEMENTS OF THE CNDU (CONT.)

Military University of the Russian Federation.

National Defence University of PLA China

- ❖ Establishment of committees to ensure the quality of standard education and keep up with technological and social changes at CNDU.
 - to allow the top management to work
 - build trust among leader and faculty members

THE IMPORTANCE OF PEACE EDUCATION

- ❖ conflict prevention
 - by implementing peace education principles and conflict resolution techniques
- ❖ build positive relation
 - through promoting understanding, mutual respect, and appreciation for diversity,
- ❖ maintain and enhance cooperation
 - by promoting cooperative behavior in defense situations

JOINT RESEARCH

- ❖ Actively participating with local universities and universities to conduct research and document related topics
 - to enhance the educational capacities of RCAF personnel for UN missions
- ❖ CNDU is looking forward to participating in the joint research with ARF universities/ colleges/ institutions
 - CNDU's staff could gain the new knowledge and experience to apply in real situations among colleagues.
 - a good chance to strengthen and enhance the cooperation and collaboration

COLLABORATION AMONG ASEAN INSTITUTIONS WITHIN THE RCAF

- ❖ CNDU has been collaborating closely with other ASEAN institutions within the RCAF
 - to provide mutual support and assistance

For example: instructors and students were sent to work in the ADMM, ADMM Plus, and other related meetings.

COLLABORATION AMONG ASEAN INSTITUTIONS WITHIN THE RCAF (CONT.)

LECTURER AND STAFF MOBILITY PROGRAMS

- ❖ The Cambodian National Defence University always provides training programs to our staffs and students on certain areas to improve their capability such as:
 - Attending educational workshop/seminar both local and international
 - Creating a Mobile Training Teams (MTT)
 - Exchange Visits

ATTENDING WORKSHOPS & SEMINARS

- ❖ sent our staffs and students to attend different workshops and seminars both locally and overseas for different courses
 - to expose themselves to cutting-edge practices
 - to build their network
 - to broaden their perspectives
 - to develop a global mindset

ATTENDING WORKSHOPS & SEMINARS

Such workshops would be significantly beneficial to individuals in terms of professional development and contribute to the development of more productive human resources at our educational institutions.

MOBILE TRAINING TEAM PROGRAM

- ❖ get teaching experts from overseas to train our staffs on capacity building, professional development, and soft skills.
- ❖ The aim is to share best for practices in education, exchange subject matters such as:
 - innovations in teaching and learning in the 21st century
 - maintain cooperations and collaboration with each other to ensure peace, stability, and security in the regions

EXCHANING TRAINING PROGRAMS AND VISITS

- ❖ Providing Professional Development to staffs and students
 - enhances their understanding of conflict
 - develops specific skills for conflict resolution
 - improves intercultural communication
- ❖ Exchange staffs and students through Longer and more formal training programs:
 - exchange programs or international engagement programs
 - on-job training

For example: counter-terrorism, disaster relief, cybersecurity, transnational crime, drug and human trafficking, and infectious disease management

EXCHANING TRAINING PROGRAMS AND VISITS (CONT.)

- ❖ Representatives from Pakistan, Bangladesh, and China visited the Cambodian National Defence University
- ❖ the relationship will be stronger and closer and it also promotes mutual learning and understanding for greater cooperation and collaboration in the field of national defense and security.
